

New horizons.

Welcome aboard!

Being one of the biggest German shipping companies our spectrum of services ranges from the commercial and technical management of container and tanker vessels, to newbuilding supervision and the management of offshore installation vessels.

Supporting our Crewing Team in our NSB Crewing Solutions GmbH in Buxtehude, we are looking for a

Crew Planer (f/m/d)

For the following tasks

- Crew planning for a set of vessels
- Organisation of Crew Changes
- Observe the manning requirements of our customers and / or flag states etc.
- Mentoring our crew in all personal affairs
- Taking care of all tasks to be done in ship manning processes

In addition to a high degree of personal initiative, motivation and team working skills we expect the following qualifications:

- Longtime experience in International Crewing
- Experience in Planning Personal Dispositions and Business Administration
- Excellent English skills (writing and speaking skills)
- Predictive planning, power of comprehension and independent action round off your profile.

If you are interested in applying for this position please submit your application (e-mails are welcome) by stating your salary expectations and possible entry date to the following address:
